

What to Know Before Choosing a Bank or Credit Union

Banks and credit unions participating in the Veterans Benefits Banking Program (VBBP) have made a commitment to provide **no-minimum-balance**, **low-to-no-cost** checking accounts for Veterans, beneficiaries, caregivers, and survivors with a qualifying direct deposit.

Know the Differences Between Your VA Benefits Payment Options

VA beneficiaries choose among the two available options for receiving VA monetary benefits: **direct deposit** into an existing or new bank account, or electronic funds transfer (EFT) to a **Direct Express**® Debit MasterCard® or other prepaid card.

Learn More

Find information about VBBP, our participating banks and credit unions, and other frequently asked questions by visiting **veteransbenefitsbanking.org**. Information is provided to help you better understand your needs and how to choose a financial institution that's right for you.

Neither VA nor AMBA endorses any particular banks, credit unions, products or services, or requires Veterans or other beneficiaries to use them.
